## Featuring the Ultra handle

A handle with tools  
at hand, just when  
you need them.

It features ergonomic design  
and tools on board (crevice  
tool and dusting brush) that  
will allow you to change  
rapidly and easily from floor  
to above floor cleaning.

### Telescopic Wand with Square Neck Design

- Square Neck wand increases airflow and gives more suction power
- Lightweight, easy to maneuver and to clean above the floor
- A 5 position telescoping locking system that adapts to you and to your cleaning needs
- A quick release button allows you to switch from and between tools

### Beam Premier Tools!\*

Our premium tools are  
designed to meet all of your  
cleaning needs.  
\*Available with Aspira & Special Edition  
Packages only.

You never need to change  
a vacuum filter again!

All Beam units feature  
Gore™ Filters!

*Self Cleaning Filter*

Vacuum Filters  
From the Inventors of GORE-TEX® Fabric

## Beam power teams clean virtually anything... for whole-house cleaning convenience!

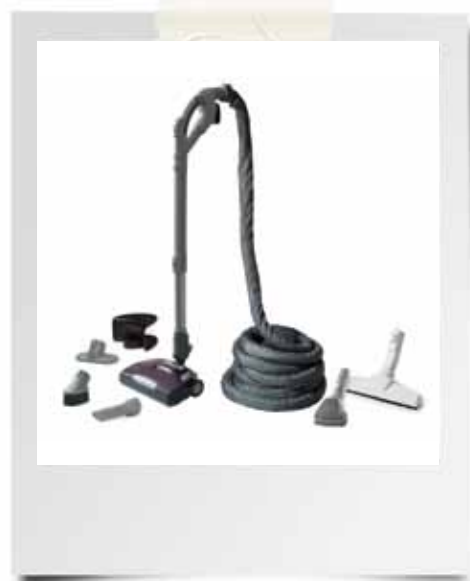

Convert your old system to a more efficient Beam Power Team!

Beam Power Teams fit most brands.

With up to five times the power of uprights and  
the ability to remove 100% of contacted dirt and  
dust from living areas, a Beam® system gives  
your home a whole new kind of clean.

## Beam Whole House HEPA Air Filtration Systems...

You spend almost 90 percent of your life indoors where the air can be up to five times more polluted than outdoor air. Isn't it time to improve the air quality of your home?

Three levels of filtration eliminate 99.97% of particulates in the air, including allergens, volatile organic compounds and even smoke, giving you hospital-quality indoor air 24 hours a day.
